- PYTHON

ABOUT ME

I am a BCA graduate deeply passionate about technology and its transformative potential, I am currently immersing myself in the world of Python Full Stack Development and enthusiastically pursuing a comprehensive understanding of both front-end and back-end technologies.

My coursework in Python Full Stack Development has equipped me with the knowledge and tools necessary to design and implement robust web applications that meet modern standards of functionality and user experience. I am excited about the prospect of leveraging my technical skills to create innovative solutions that address real-world challenges and make a meaningful impact.

INTERNSHIP EXPERIENCE

Python Full stack Web Development

Quest Innovative Solutions, Cochin

October 2023 - present
